## NEWS ITEMS FROM THE BUSY HYDE PARK

Hyde Park, March 8.—On Wednesday a shower was given in honor of Mrs. William Purser, by the women of our community, at the home of Mrs. Bishop Hyde. Mrs. Hyde, assisted by Mrs. R. H. Hyde, furnished and served refreshments for the occasion. The shower was promoted on account of the sickness and trouble this family have passed through the past few months. Mr. and Mrs. Purser have a large family, twelve living children, the last two being twins. Since the birth of the twins, Mrs. Purser has been in poor health. Last week she had an operation performed on her head for an abscess. About a month ago Mr. Purser underwent an operation for appendicitis. The good sisters who promote and contribute to an affair of this kind are to be commended. Many useful articles were given in the form of food, wearing apparel and money.

Mr. Jesse S. Hancey has been compiling the assessment valuations of our community the past few days. The total valuation of property will perhaps exceed that of last year.

The ninth grade from the Smithfield High School presented an entertainment here on Wednesday evening. An appreciative audience greeted them.

Mr. George S. Daines and Mr. Steven Thurston are in the Bear Lake Monday visiting friends and relatives here.

A dramatic organization from Richmond presented the western drama, A Daughter Of The Desert, to an appreciative audience on Wednesday evening.

Mr. R. H. Hyde representing the Amalgamated Sugar Company, has been busy the past week signing up our farmers for sugar beet acreage for 1918. He reports that the acreage will be considerably increased over last year's.

When our country's call came loud and clear for soldiers, many of our young men responded.

From somewhere in France, comes a delayed message from Mr. Royal E. Lee, to his wife.

From Andy Christofferson and Fenton Walte, comes word from somewhere at sea, to the effect that they are enjoying their labors as seamen on the George Washington.

Mr. Lyman Balls has not been heard from for several months. Lyman is connected with the navy. Mr. Duane Ricks is also serving in Uncle Sam's navy.

The time will soon arrive when we will be called upon to part with some more of our young men who have enlisted, recently and will soon leave for the coast to begin training. They are: Messrs Leonard Hancey, Norval Hancey, Byron Ashcroft and Leslie Hancey. Mr. Leonard Hancey, for a good many years, has been member of the Hyde Park Band, where his services will be very much missed. Leonard is an excellent musician and we hope he will be able to continue his playing in some army band, as his services would be a credit to any musical organization.

Mr. and Mrs. Earl Karren of Drummond, Montana, who have been visiting Mrs. Karren's parents, Mr. and Mrs. George D. Reader, have returned to their Montana home.
